

MY PASSPORT | End-User Job Aid

Enrolling in Two-Step Verification

Login to MyPassport

- Navigate to <https://mypassport.wba.com>
- Enter your OneID and Password

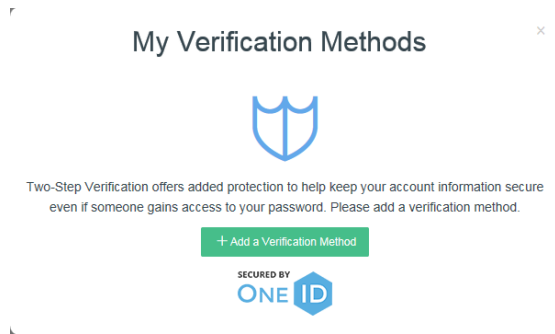

- Click **Log in**

Enroll in Two-Step Verification

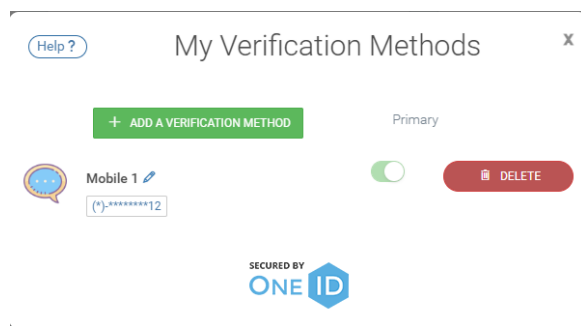

- Click the **Two-Step Verification** tile

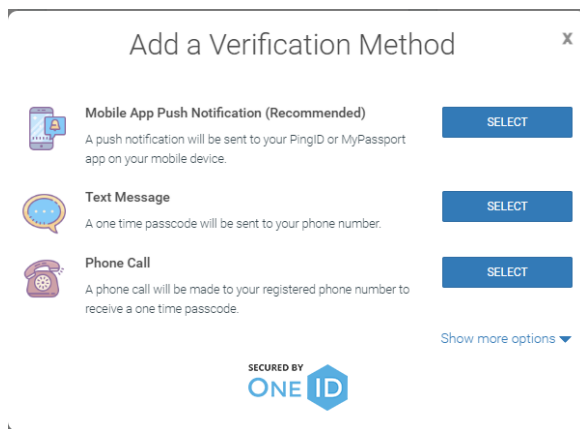

- If you don't currently have any Verification Methods enrolled, you will see the following screen:

- If you have already enrolled at least one (1) Verification Method, you will see the following screen:

- To enroll or add another Verification Method, click **Add a Verification Method**.

- **Mobile App Push Notification** (the recommended method) will require you to download the PingID app on your mobile device and will utilize your mobile phone for authentication.
- **Text Message** will require you to provide your mobile phone number in order to receive and then input a one-time passcode.
- **Phone Call** will require you to provide your phone number, in order to receive and then input a one-time passcode.

- Once you have determined which Verification Method you would like to start with, click on it below to continue with the appropriate steps:

Mobile App Push Notification	Text Message	Phone Call
--	------------------------------	----------------------------

Mobile App Push Notification

- Click the **Select** button in the **Mobile App Push Notification** section

- You will be provided a QR Code and Pairing Key

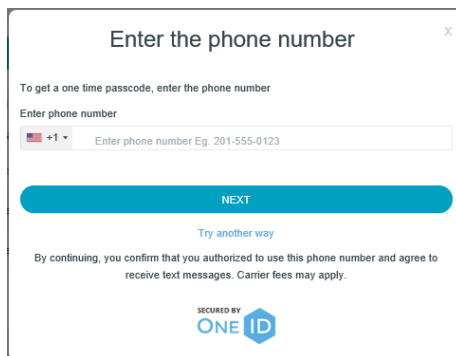

- Click [here](#) and follow the instructions to download the PingID App and use the QR Code/Pairing Key.
 - Once you have completed the linked instructions, you will have enrolled in Two-Step Verification. Click [here](#) to see how you can view or edit existing Verification methods or return to the [top](#) of this document to add additional Verification Methods. It is highly recommended that each user enroll with at least two (2) Verification Methods.

Text Message

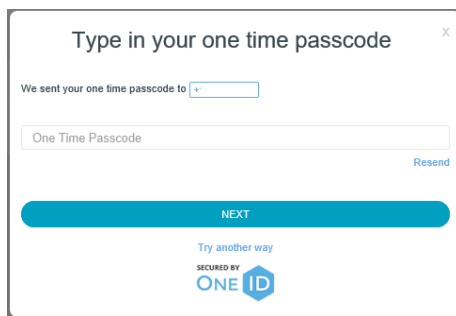

- Click the **Select** button in the **Text Message** section

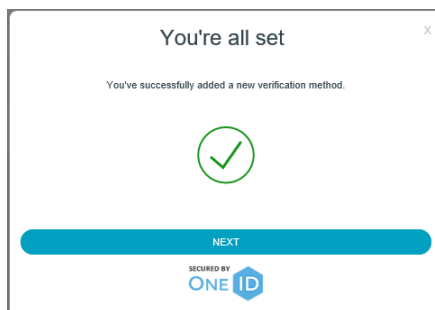

- Enter your mobile phone number and click **Next**

A screenshot of a form titled "Enter the phone number". It includes the instruction "To get a one time passcode, enter the phone number" and a sub-header "Enter phone number". Below this is a text input field with a country code dropdown set to "+1" and placeholder text "Enter phone number Eg. 201-555-0123". A large blue "NEXT" button is centered below the input field. Underneath the button is a link "Try another way". At the bottom, there is a confirmation statement: "By continuing, you confirm that you authorized to use this phone number and agree to receive text messages. Carrier fees may apply." and the "SECURED BY ONE ID" logo.

- Enter the one time passcode that you receive via text message and click **Next**

A screenshot of a form titled "Type in your one time passcode". It shows "We sent your one time passcode to" followed by a small input field containing "+". Below this is a larger "One Time Passcode" input field with a "Resend" link to its right. A large blue "NEXT" button is centered below the input field. Underneath the button is a link "Try another way" and the "SECURED BY ONE ID" logo.

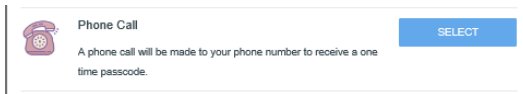

- In the confirmation pop-up box, click **Next**

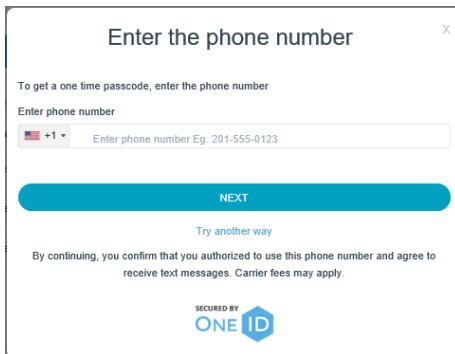

- You have now enrolled in Two-Step Verification. Click [here](#) to see how you can view or edit existing Verification methods, or return to the [top](#) of this document to add additional Verification Methods. It is highly recommended that each user enroll with at least two (2) Verification Methods.

Phone Call

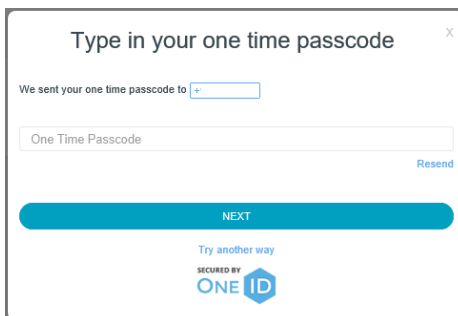

- Click the **Select** button in the **Phone Call** section

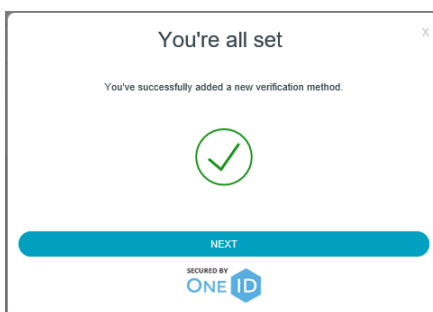

- Enter your phone number and click **Next**

A screenshot of a form titled 'Enter the phone number'. Below the title, it says 'To get a one time passcode, enter the phone number'. There is a label 'Enter phone number' above a text input field. The input field contains '+1' and a placeholder 'Enter phone number Eg. 201-555-0123'. A large blue button labeled 'NEXT' is below the input field. Below the button is a link 'Try another way'. At the bottom, there is a disclaimer: 'By continuing, you confirm that you authorized to use this phone number and agree to receive text messages. Carrier fees may apply.' and the 'SECURED BY ONE ID' logo.

- Enter the one time passcode you receive via phone call and click **Next**

A screenshot of a form titled 'Type in your one time passcode'. It shows 'We sent your one time passcode to' followed by a small input field. Below that is a larger input field labeled 'One Time Passcode'. A 'Resend' link is to the right of this field. A large blue button labeled 'NEXT' is at the bottom. Below the button is a link 'Try another way' and the 'SECURED BY ONE ID' logo.

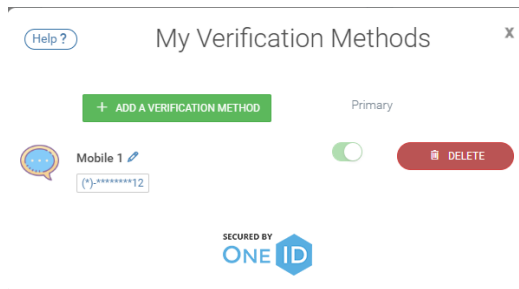

- In the confirmation pop-up box, click **Next**

- You have now enrolled in Two-Step Verification. Click [here](#) to see how you can view or edit existing Verification methods, or return to the [top](#) of this document to add additional Verification Methods. It is highly recommended that each user enroll with at least two (2) Verification Methods.

View/Edit Existing Verification Methods

- Once you have selected and enrolled with your Verification Method, you can then view which ones that you have set up by navigating to **MyPassport** and clicking on the **Two-Step Verification** tile.

- From this screen, you can add additional methods, edit the name of your Two-Step Verification method, change the selection for your Primary method, or delete an existing method.
- It is highly recommended that each user enroll with at least two (2) Verification Methods.
